

RAINBOW

REHABILITATION CENTERS

Serving People with Brain & Spinal Cord Injuries™

Garden City Apartments

Offering affordable and flexible support for individuals with brain injuries.

Garden City Apartments

Therapy & Support

Designed to meet the unique needs of people with traumatic brain injuries, the Garden City Apartment Program offers full access to Rainbow's brain injury therapy team and treatment facilities.

Individual therapy, group activities, home-based programs, case management services, nursing and recreational opportunities are among the many services available. All Garden City Apartment residents are encouraged to work toward achieving their highest level of independence. This includes providing access to vocational services, transportation, household maintenance support, help with money management and community reintegration services. At Rainbow, therapy programs are developed on an individual basis to promote recovery success.

Garden City Apartments

family & Pet friendly

This unique program offers a supportive family environment where residents are empowered to work toward therapy and recovery goals. Whether residents live as a single individual, as part of a family, or as parents caring for children, Rainbow can provide the necessary support.

Garden City Apartments

This program offers a cost effective, therapeutic living environment for individuals and families coping with traumatic brain injury. For peace of mind, the building has a *state-of-the-art* security system and Rainbow's trained staff provide onsite support 24 hours-a-day, 7 days-a-week.

Additionally, the apartments are conveniently located near public transportation, shopping and many community resources.

Garden City Apartments

One and two bedroom units, complete with kitchen appliances, are available with the following amenities...

- *Community Room with a large screen TV, lots of comfortable seating and a computer with internet & printer.*
- *Apartments available furnished or unfurnished and are cable / internet ready.*
- *The building has a sprinkler system for fire suppression, back-up generator for power outages, Elevator and free laundry facilities.*
- *Convenient public transportation is available including: SMART bus, specialty transportation and taxi services.*
