Rainbow Rehabilitation Centers is Awarded a Three-Year CARF Accreditation

Ypsilanti, MI — March 20, 2008 — CARF International announced that Rainbow Rehabilitation Centers Inc. has been awarded a three year accreditation. This is the seventh consecutive three-year accreditation that the international accrediting body has awarded to Rainbow and extends to the following programs:

- Brain Injury Home and Community-Based Rehabilitation Programs (Adult)
- Brain Injury Long Term Residential Services (Adult)
- Brain Injury Long Term Residential Services (Pediatric Family Centered)
- Brain Injury Outpatient Rehabilitation Programs (Adult)
- Brain Injury Outpatient Rehabilitation Programs (Pediatric Family Centered)
- Brain Injury Residential Rehabilitation Programs (Adult)
- Brain Injury Residential Rehabilitation Programs (Pediatric Family Centered)
- Brain Injury Vocation Services (Adult)

The accreditation decision represents the highest level of accreditation that can be awarded to an organization and shows Rainbow's substantial conformance to the CARF standards.

An organization receiving a three-year accreditation has undergone a rigorous peer review process and has demonstrated to a team of surveyors during an on-site visit that its programs and services are of the highest quality, measurability, and accountability.

Rainbow Rehabilitation Centers Inc. has been providing rehabilitation services to individuals with brain and/or spinal cord injuries since 1983. It has over 30 locations in southeastern Michigan.

CARF is an independent, nonprofit accrediting body whose mission is to promote the quality, value, and optimal outcomes of services through a consultative accreditation process that centers on enhancing the lives of the persons served. Founded in 1966 as the Commission on Accreditation of Rehabilitation Facilities (CARF), the accrediting body establishes consumer-focused standards to help organizations measure and improve the quality of their programs and services.
